Advance Worldwide Removals

---

*In recognition of their services to the moving industry  
and for upholding the following Code of Ethics of  
the National Association*

To adhere strictly to a policy of truth and honesty in our advertising

To be completely honest, fair and courteous in our relationships with our customers, our competitors and our suppliers

To refrain from defaming competition by any false representation or false disparagement of the quality of their services

To take all possible steps to protect the environment

To adhere to the highest professional, financial and operational standards and have a commercial reputation beyond reproach
